Portfolio / Hub

PROFESSIONAL SUMMARY

Analytical and detail-oriented Information Security, GRC, and Compliance specialist with proven expertise in evidence verification, regulatory frameworks, and operational risk assessment. Leverages a distinguished 13.5-year career in public safety investigations and high-stakes evidence auditing, followed by directing international consular compliance operations with zero non-conformities. Formally certified in Google Cybersecurity Foundations & Network Security, Cisco Networking Academy (Cybersecurity, Networking, Linux, Python), and hands-on offensive/defensive labs (TryHackMe). Proven capability in implementing governance standards (NIST CSF 2.0, ISO/IEC 27001, COBIT) and privacy mandates (LGPD, GDPR). Native Portuguese speaker with professional English fluency (B2/C1) dedicated to organizational security, risk mitigation, and audit readiness.

CORE COMPETENCIES & GOVERNANCE FRAMEWORKS

Governance, Risk & Compliance (GRC): NIST CSF 2.0, ISO/IEC 27001, COBIT, Inherent vs. Residual Risk Matrices, Risk Treatment Plans.

Privacy & Data Protection: LGPD, GDPR, PII Protection, Data Subject Rights, DPIA / RIPD Assessments, Third-Party Vendor Audits.

Security Operations & IAM: Access Control (RBAC/IAM), Network Security, Log Analysis, SIEM Concepts, Incident Triage, Antiphishing.

Technical & Infrastructure: Linux (Bash/CLI), Python Scripting Basics, TCP/IP, OSI Model, Wireshark, SQL Basics, Git Version Control.

PROFESSIONAL EXPERIENCE

Digital Process, Risk & Operational Security Specialist • Pixel Pro Ads / Independent — 2024 – Present | Remote

- Structured and applied information security controls, credential hygiene, and data protection practices across cloud operational workflows.
- Conducted compliance assessments and risk evaluations on digital systems, authoring 14 automated policy guardrail libraries with 3,500+ tests.
- Documented standard operating procedures (SOPs) and audited internal data flows, ensuring confidentiality, integrity, and regulatory alignment.

Director of Operations & Document Compliance • International & Consular Advisory — 2019 – 2023

- Directed rigorous document audits and regulatory compliance for consular authorities and international bodies with zero non-compliance rate.
- Enforced strict governance and confidentiality protocols over sensitive personal identifiable information (PII) aligning with LGPD and GDPR standards.
- Conducted third-party risk assessments, vendor due diligence, and managed operational compliance under strict statutory deadlines.

Investigative, Operations & Protocol Audit Specialist • Polícia Militar de Minas Gerais (PMMG) — 2006 – 2019 (13.5 yrs)

- Conducted high-consequence investigative operations requiring evidence verification, anomaly detection, chain of custody, and protocol compliance.
- Synthesized complex, multi-source evidentiary data into objective, legally binding compliance reports under zero tolerance for speculation.
- Recognized for tactical discipline, integrity in handling classified data, and systematic identification of operational non-compliance.

TECHNICAL CERTIFICATIONS & VERIFIED CREDENTIALS

- **Google Cybersecurity Professional Certificate** – Google / Coursera (Completed Courses 1–3: Foundations, NIST CSF Risk Management, Networks & Network Security [Credential ID: MWRZL7CQ1QAS]; Course 4 Linux & SQL in progress).
- **Cisco Networking Academy** – Verified Badges & Certifications: *Introduction to Cybersecurity* • *Networking Basics* • *Linux Unhatched* • *Python Essentials 1* (Complete 4-Module Track).
- **TryHackMe • Hands-on Cybersecurity:** *Intro to Offensive Security* (Hands-on labs: offensive methodologies, web vulnerabilities, defensive mitigations).
- **CompTIA Security+ (SY0-701) & GRC Standards:** In Active Preparation (1,200+ scenario-based drills completed across Threats, Architecture, and Governance).

EDUCATION

Higher Technology Degree in International Trade (Comércio Exterior) • UNINTER (Curitiba, Brazil) — Graduated

Technical Degree in Public Safety (CTSP • Investigation & Protocols) • Polícia Militar de Minas Gerais (PMMG) — Graduated

LANGUAGES

Portuguese: Native (C2) – Executive writing, legal-regulatory terminology, clear interpersonal communication.

English: Professional Working Proficiency (B2/C1) – Fluent in technical documentation, international compliance auditing, and cross-border collaboration.
